

# MyWorldView participant journey for Authorized Practitioner clients

You've purchased a MyWorldView assessment in the GLA shop, and invited your participant to take the assessment from your MWV dashboard.

## But what happens next?

The following 4 pages shows the steps your participant will take, and the emails they will receive from [mwv@gladigital.com](mailto:mwv@gladigital.com)

1. Your participant will receive their email invitation
2. When they complete the assessment, as their coach you'll receive notification
3. Your participant will receive their 'debrief ready' email
4. You can see their worldview result and their coach report on your dashboard (see below!)

Practitioners will find coach reports automatically appearing on their MWV dashboard as soon as a user-client has submitted their completed sentence stems.

To find out more about the coach report, please click [HERE](#).
